# SHAON SHEIKH

## Full stack web developer

## About Me

Hello! I'm Md Shaon Sheikh, a passionate and dedicated Full-Stack Web Developer and a current diploma student in Computer Science at Mangrove Institute of Science and Technology, Bangladesh. With a strong focus on practical learning, I've built real-world web applications using modern tools and frameworks.

## Language

- English
- Bangla
- Hindi (Only speaking)

## Expertise

- Python
- Java
- Javascript
- Django
- PHP
- HTML, CSS
- Bootstrap
- Font Awesome
- Microsoft Office application

## Experience

**Web Developer**
**2024 – Present | Online Marketplace / Freelance**

As a web developer, I've been actively working with clients through online marketplaces, delivering responsive and dynamic websites tailored to business needs. My work includes developing user-friendly interfaces, integrating backend logic using Django and PHP, and enhancing web performance through clean HTML, CSS, and JavaScript.

**Full-Stack Web Developer**
**2024 | Business IQ**

At Business IQ, I worked as a full-stack web developer, contributing to both frontend and backend systems. My responsibilities included designing responsive UI components, developing RESTful APIs, and integrating databases to support dynamic business applications.

## Education

**Mangrove Institute of Science and Technology**
